Sherry

Thanks for the note and forwarding the response to the Kozaks, Darsi had shared it last week as well. I look forward to talking next week.

John,

Thanks for the call today. It is good to hear that the Wisconsin legislature approved supplemental funding for the PECFA program in advance of the July 1, 2017 fiscal new year. Please keep us up to date on developments on that.

I wanted to be sure that you received a copy of the letter that we sent last year to the Kozaks regarding our analysis of their ability to pay. I'm not sure if I shared that with you previously or not. Last week I saw some correspondence regarding this topic and I'm not sure if Ignacio shared this with Darsi.

I'll give you a call early next week to give you an update regarding the modeling presentation.

Have a good day,

Sherry
